INTRODUCTION

Why is Hussey Seating Company™ the global leader in public seating?

We custom design comfortable, beautiful, practical spaces to meet your exact specifications – from stadiums to classrooms, theatres, and outdoor grandstands. Our seating solutions are ergonomically designed, safe and reliable, serving our customers and their patrons for decades to come. Using advanced technologies including Revit modeling, we can help you overcome challenges to achieve optimal seating capacity. Get the most from any space with flexible designs that enhance your investment return. Hussey Seating is a partner that delivers global strength with a trusted local presence. We’ve recently strengthened our longstanding commitment to Asia-Pacific markets, and we’re by your side with an expanded regional sales and customer service presence.

EDUCATION

Hussey Seating Asia-Pacific has been perfecting space orientation and layout for the education industry over several decades. This includes the creative arrangement of lecture halls and classrooms, gymnasiums, and theatres. Let us ensure the greatest comfort and capacity with versatile seating solutions that enrich the learning experience and accommodate a variety of school activities.

SPORTS & ENTERTAINMENT

We believe sports and entertainment seating should be safe and durable, able to withstand decades of heavy use and wear. We believe it should offer hours of seating comfort and unobstructed sight lines. Configurations should be planned to use space as efficiently as possible, maximizing capacity to give you the strongest return for your investment. Hussey Seating Asia-Pacific custom-designs solutions to serve all of your – and your ticketholders’ – needs.

- 1. MAXAM™ telescopic bleacher with Courtside™ XC10 seats, fully extended.

THEATRE & AUDITORIUM

Whether you're building new or refurbishing traditional facilities, we can help you create the perfect interior seating solution to enhance your audience's experience. We appreciate the unique style and charm in each theatre and auditorium space – from its size and shape to its layout and architectural features. Our seating solutions come with a full range of detail seat attributes to beautifully match any interior surroundings.

RETRACTABLE SEATING

MAXAM™

SEATWAY TP™

MAXAM+™

MXP™

BENCH SEATING

CourtSide™ XC10 & XCS12
The world's only ergonomically designed gym seat module, the CourtSide provides an individualized compound contoured seat that incorporates modern styling, dual texturing and waterfall edges. 457 mm wide and manufactured from 100% recyclable materials, the CourtSide is the perfect blend of ergonomic comfort, modern design, performance and value.

CourtSide™ Wood
All our boards are finger-jointed Southern Pine Grade "B&B", the finest available, and are triple sanded and finished with two separately UV cured coats of urethane.

PLATFORM CHAIRS

Metro™
Metro's innovative and distinctive design incorporates both comfort and style. The entire seat is molded using advanced engineering polymers and is available with polymer seats and backs or upholstered back pads and seats. Metro may be deployed with or without arms and the seat width is easily varied using a contemporary rail-mounted design for ideal seating layouts or to maximize capacity. Metro is available with a choice of either semi-automatic or manual fold-down operation.

CourtSide Contoured Backrests
Ergonomically designed for maximum comfort to provide ideal low- and mid-back support.

Flex-Row™
Create an endless variety of configurations to accommodate constantly changing needs like team seating, wheelchair access and scorer's tables.

Club Bench
The Club Bench closes into a small space, allowing for a minimum rise per row of just under 260 mm. The manual folding, preformed plywood seat and back come with your choice of upholstery. Also available without the backrest.

Gallery 3™
Available in a variety of widths, with or without armrests, the fully-upholstered, rail-mounted Gallery 3 chair features a surprisingly slim and elegant profile, great for a wide range of applications. Gallery 3 can be used on row rises from 244 mm and row depths from 838 mm and is available in both manual and semi-automatic fold-down operation.

CS800™
With a sprung foam seat and back, the fully-upholstered CS800 chair offers big comfort in a small package. This low-maintenance chair with folding backrest offers an innovative way to provide ergonomic comfort in a compact individual chair with semi-automatic operation.

FIXED SEATING

QUATTRO™ COLLECTION

QUATTRO

From top to bottom, every aspect of the Quattro Collection has been designed to balance form and function in beautiful new ways. While you may opt for available end panels, Quattro Collection's stanchions are designed to be so captivating, they can stand all on their own.

QUATTRO TRADITIONAL

A perfect blend of old and new, the Quattro Traditional Collection has a traditional stanchion and end panel, providing an elegant solution for those who prefer a more classic look. It's also a perfect solution when retrofitting to match an existing décor.

QUATTRO PERFORMANCE

Designed for high-use environments, the Performance Series is virtually maintenance free, yet still upholds Quattro's high standards for comfort, style and long-lasting performance.

STADIUM

QUATTRO EXTREME

Get the luxury of an upholstered indoor chair with the durability of an outdoor stadium seat when you choose Quattro Extreme.

FUSION™

Combining invincible strength with style and comfort, Fusion features contemporary lines, a smooth polished finish and unrivaled performance.

LEGEND™

It's seating fit for a legend. Designed for comfort, durability and value, Legend is a classic choice for the ballpark and beyond.

PERMA-CAP™

Perma-Cap® covers enhance and protect your indoor or outdoor bleacher investment, with installation and maintenance costs approximately half that of refinishing or replacing existing seating.

PORTABLE SEATING

CLARIN™

Providing aesthetic as well as practical appeal, the comfort and durability of Clarin portable chairs is legendary. They are engineered to provide decades of service and keep delivering outstanding value, day after day.

MAXAM1™

The next generation in portable bleacher seating is MAXAM1. Designed to be the safest and most comfortable portable bleachers available, MAXAM1™ Portable Bleachers quickly bring the safety, comfort and durability of large gym bleacher systems to nearly any spot on your facility's campus.

LECTURE SEATING

TRADITIONAL SWING-AWAY™

For a fully customized, easy-to-maintain and uniform lecture hall or classroom, Hussey's Classic Series swing-away fixed seating is the perfect solution. Our one of a kind swing-arm technology and shimless pedestal design takes swing-away seating to the next level.

TRADITIONAL FIXED TABLES

For more seating mobility that allows for diverse breakout sessions, choose a Traditional Collection fixed table with one of our stylish task chairs. Each fixed table is built to your exact specifications with materials and accents that fit beautifully into your environment.

SERVICE & MAINTENANCE

Though we're global in strength, we're local in service. Hussey Seating Asia-Pacific offers the established regional presence you need to handle routine service and maintenance on mechanical equipment and retractable seating systems. Our service and maintenance agreements keep equipment safe and efficient through the entire lifecycle.
