BRINGING YOUR VISION TO LIFE

Every audience space is different – from performing arts centers to auditoriums to sports & entertainment venues.

And we understand that your seating solution needs to complement and enhance the design vision for that space.

Hussey Seating has a long tradition of providing high quality seats designed to be an integral part of an audience space. We also know that the key to new seating and providing the perfect seating solution is an understanding of each customer’s unique needs.

That collaboration is the key to our success, and we look forward to working with you to create the perfect audience seating solution for your space.

THE QUATTRO® STORY STARTS AT THE BACK

The modular Quattro Collections are built on four superb seat styles, each featuring a chair back created for a distinct aesthetic and practical effect. With more choices for more applications, the Quattro Collections are built from the ground up to be different. By design.

Classic Series
Timeless style, great looks and a durable polymer outer panel. The hard-working Classic Series offers all the way your choice of upholstery and tailoring options. A true multi-purpose classic.

Art Series
Drape your product in the warmth of wood in any seating configuration. With multiple live areas, your creativity will flourish.

Designer Series
The elegant upholstered Designer Series, complete with finished outer back, makes an impressive statement. Choose from a limited selection of wood veneers and quality laminate for a striking look.

Soft Side Series
Audiences will appreciate the plush comfort, beautiful styling and excellent acoustic qualities of the Soft Side’s luxurious, fully-enveloped upholstered design.

Performance Series
Designed for high-use environments, the Performance Series is virtually maintenance free, yet still uphold Quattro’s high standards for comfort, style and long-lasting performance.
Imagine your space with an elevated level of elegance – we have a solution for you. Say hello to refined aesthetics, natural materials, luxe fabrics and design customizations that push your venue into the ‘exceptional’ category. The Quattro Art Series by Hussey Seating Company delivers just that: fit, finish, and appeal. Plus, we’ve made this distinguished look accessible and affordable for any place people gather.

**Two Remarkable Design Families**

Introducing Linear and Radius, two chair families that echo subtle variations in the design elements most sought after for today’s performing arts venues. We’ve provided you the freedom and flexibility to customize seating and together we’ll collaborate to create a seating solution that suits your architectural vision. No matter which look you choose, you’ll enjoy whisper quiet seat return, Hussey’s signature extended outer back, and the best warranty in the industry.

**ART SERIES**

- **A. Linear**
  Full reveal linear with integral design and half wrap, full length end panels.
- **B. Radius**
  Full reveal radius with integral design and full wrap, full length end panels.
- **Dedicated Design Areas**
  Allow your creativity to flourish with anything from an engraved logo to variable design elements and custom shapes. Live areas are on seat bottoms, end panels, arm rests and backs.

- **C. Radius**
  Full reveal radius with integral design and full wrap, full length end panels.
- **D. Linear**
  Use the seat back live area on a Linear or Radius to unveil your signature look.
High Style – The beautifully finished outer back and clean European lines of the Designer Series seat give your venue an impeccable look. Ideal for audits, corporate settings, performing arts theaters or places of worship, the Designer Series is sure to impress.

Furniture Quality – With unlimited stain options on nine rich wood veneers, over 200 distinctive laminates and fabrics from basic to extreme luxury, your seats will have an amazing furniture-quality finish.

Countless Options – Customize your Designer Series seats with a wide array of back shapes, wood options, armrests, tablet arms, cast aluminum or steel stanchions, aisle lights, seat ID and much more. Make it your own.

DESIGNER SERIES

As elegant as it is functional, the Designer Series seat style combines rich wood or laminate tones and plush upholstered seats to offer the ultimate in fixed spectator seating. A simple, yet stunningly smooth back design creates an exciting visual effect from the back of the venue, while the luxurious upholstery and quilting options demand attention from the front. Not only will your events wow the crowd, so will your Designer Series seating.

CLASSIC SERIES

Stylish and Durable – The Quattro® Classic Series seat combines the clean lines and contemporary style of a fine upholstered chair with a highly durable molded polymer back for easy maintenance and long-term piece of mind.

A Proven Classic – Handsome, comfortable and always reliable, this versatile chair is equally at home in schools, sporting and multi-purpose facilities.

Limitless Combinations – Customize your Classic Series chair with a wide choice of Quattro options to build a chair that’s your own.

- **A.** Quattro Classic
  - Round, low back with cast aluminum standards, hardwood armrests and one of our standard quilting offerings.

- **B.** Quattro Classic
  - Soft square, low back with steel standards, cupholder armrest and one of our standard quilting offerings.

- **C.** Quattro Traditional Classic
  - Round, low back with traditional steel standards, matching swept style armrests and one of our standard quilting offerings.

- **D.** Quattro Classic
  - Round, low back with cast aluminum standards, polymer armrests and one of our standard quilting offerings.

Timeless style, great looks and a durable polymer outer panel make the Classic Series seat a great choice for any venue. It’s a true multi-purpose classic that’s comfortable, durable and attractive. Dress it up with one of our many luxury upholsteries, handsome quilting designs, and chic stanchion color combinations.
SOFT SIDE SERIES

Make a statement without making a sound with the Soft Side Series seat. Envelop spectators in fully upholstered comfort, sucking audience noise while seating guests in style. Precision, elegance and luxury are the hallmarks of these fixed auditorium seats, ideal for lecture halls and performing arts venues.

Fully Upholstered — Wrapped in the lush fabric of your choice, with optional fully enveloped seat pan, the Quattro® Soft Side Series seat embodies luxurious style. Add upholstered end panels for a completely draped look.

Acoustic Performance — More than just attraction, the Soft Side effectively minimizes audience noise and enhances sound absorption qualities, making it ideal for venues demanding sound cohesion, churches, or anywhere sound and vision come together.

Custom Options — Add your unique signature to the Soft Side with touches like a high back, aisle lights, logo embroidery, custom woven fabrics, or any of our other options and accessories.

PERFORMANCE SERIES

Discover seating as versatile as it is durable, attractive and safe. Sports arenas, entertainment venues, or educational facilities—the Quattro® Performance Series is comfortable in any setting. This affordable seating is designed for performance with an eye for beauty and style. And because Quattro Performance Series seats are interchangable with other Quattro products, they’re easy to upgrade or mix and match. You can easily create tailored seating that goes from polymer to plush, while maintaining a singular aesthetic style.

Performance Series – Plyform

Blending classic plywood design with advanced Hussey performance and safety, the Quattro® Performance Series Plyform stands up to the rigors of your school environment. The seats and backs are made from 11-ply cross-banded plywood. Flat-sided traditional metal stanchions add strength as well as style. Plus, our signature seat back design extends below the seat to keep toes from getting pinched.

Performance Series – Polymer

Quattro Performance Series Polymer seats are fashioned in school-proof polymer with style that adds a touch of class to auditoriums. Each part is easy to replace, and the seats are easy to upgrade with shared Quattro components.

A. Quattro Traditional Performance – Plyform
Soft square, contoured low back with matching plywood seat, end panels and armrests. Traditional steel standards. Performance Series Plyform is only available with a Quattro Traditional style standard.

B. Quattro Performance – Polymer
Soft square, contoured low back with matching polymer seat. Shown with optional end panel and TR1 tablet. Traditional steel standards.

C. Quattro Performance – Polymer
Jungle back and cast aluminum standards.

D. Quattro Performance – Polymer
Crescent back and cast aluminum standards.

E. Quattro Performance – Polymer
Jungle back and cast aluminum standards.

F. Quattro Performance – Polymer
Crescent back and cast aluminum standards.

All Performance Series chairs are available with optional tablet arms, including our new TR1 Tablet Arm equipped with our Traditional steel stanchion. The TR1’s large (110 Sq. In.) tablet stows completely within the seat space, and provides more seating space for the user when in use than traditional tablets. It’s panic proof operation features a controlled return mechanism to ensure smooth, quiet operation.

Customize your Performance Series seating with a plain, jungle or crescent style back. Available with cast aluminum, steel or traditional steel stanchions.
In a perfect union of aesthetics, functionality and comfort, Quattro® is the perfect seating solution for performing arts venues. Designed to match the stunning architectural accents of your facility, Quattro seats are just as much a part of the show as the act is. Plus, with Quattro’s whisper quiet seats, you won’t have to worry about distracting noise as patrons shuffle in and out of their seats.

Customize, affordably.

Hussey Seating Company makes the refined performing arts seating aesthetic accessible and affordable for any venue. We’ve accomplished this by coupling flexible yet refined seating families with dedicated design spaces, which we call “live areas”. Live areas provide the freedom to tailor your seating to suit your interior vision. Unveil a signature look, an extravagance previously only attainable with a fully custom chair. You’ll find live areas within each key wooden design element including the seat back, seat bottom, arm panel and armrest.
EDUCATION

Whether your goal is a luxurious lecture hall or a smaller, more affordable classroom, Quattro® has a fixed seating solution for you. For a formal lecture hall, choose the Quattro Designer Series or Classic Series, and for a less expensive option choose one of the Performance Series seats. No matter which seat you choose, you’ll be happy with the durability, style, and comfort.

Stacking Quattro™

Flexible ADA Capacity On-Demand

Our new Stacking Quattro combines the convenience and flexibility of traditional portable stacking chairs with the style and comfort you expect in an upholstered auditorium chair. The Stacking Quattro maintains your room’s aesthetic while providing the ability to accommodate ever-changing demand for ADA and companion seating capacity. Stacks four high on our optional transport cart for easy storage.
SPORTS & ENTERTAINMENT

From lavish suites to VIP sideline seating, arenas never looked so good, and your patrons have never been more comfortable. The Quattro® Collection has solutions for your entire arena project; solutions you can specify with confidence.

Stacking Quattro™

Gives new meaning to “The best seat in the house.”

Combining the style and comfort of our Quattro Auditorium Chair with the flexibility of a portable stacking chair, the Stacking Quattro ensures that a purchasing premium seat space means enjoying a premium spectator experience. Designed for easy ganging and available with optional cupholder arms. Available with our 30-chair storage transport cart.

Quattro Extreme™

Ready to take on the Elements

Quattro Extreme combines the luxury of an upholstered indoor chair with the durability of an outdoor stadium seat for your open-air seating. Rugged and weather-resistant, Quattro Extreme has rust-proof stainless steel stanchions, corrosion-resistant hardware, and marine-grade fabric to protect your seats while offering spectators the most comfortable, weather resistant seating.
Casino guests that are used to a certain level of luxury won’t be disappointed when they lean back in a plush Quattro® Collection chair to enjoy a show. Light the way to their seats with stylish aisle lights integrated into the chair frame. The Designer Series or Classic Series seats have all the features you need to dazzle your audience, including convenient front or rear mount cup holders.

Casinos

Integrated LED Aisle Lights

Lighting the Way

Help your guests locate their seat row with integrated Quattro® LED Aisle Lights. Each aisle light powers three low volt (24v) LEDs that are seamlessly oriented in your choice of the armrest (high mount – shown below) or axis point (low mount). Both are U.L. Listed.
MULTI-USE FLEXIBILITY

Give your gymnasium, auditorium or cafeteria the flexibility to adapt to evolving space-use demands. Since demographic shifts usually outpace building budgets, adaptability is a critical element of school design. And nobody has more experience and expertise delivering seating solutions that maximize your school’s space-use flexibility than your Hussey Seating Company dealer.

Telescopic Seating

One Facility. Unlimited Flexibility.

Adding Telescopic Seating to your facility gives you extra space that can be used for practice areas, batting cages, gymnastics or any wide array of uses. No one offers a broader range of features, accessories, and engineering excellence to meet your telescopic seating needs than Hussey Seating.
WORSHIP

Quattro® provides places of worship a seating solution that offers your congregation exponentially more comfort with individual seats for each patron instead of hard, wooden pews. Finish off the look with optional wood pew ends and handy literature holders.

Facility Renovations

Modern Comfort for Traditional Architecture

A great option for worship facility renovations, Quattro® transforms dated pews into sleek, ergonomic and inviting fixed congregation seating. Choose from stylish seat quilting options and soft upholsteries to create a comfortable and welcoming environment.

### Principle of Visibility

Angle B is commonly used in determining floor slopes for auditorium, performing arts or theatre type seating configurations. When angle B profile is used in conjunction with staggered seating arrangement (chair staggered or alternated in arrangements of rows opposite every other row) it allows unobstructed view of spectators to a determined focal point at the screen or stage. The final analysis is to have all sight lines intersect at the desired focal point.

Angle C is most commonly used in determining clear or staggered applications for gymnastics, arena or stadium type seating configurations. When angle B profile is used (generally associated with an aligned seating arrangement) it allows for unobstructed view of spectators to a determined focal point at court line or line of play. The final analysis is to have all the critical sightlines intersect the focal point or line of play at generally a maximum elevation of 4’ (122).

### Sustainability

At Hussey Seating, respecting the landscape we live in—and the hard work and well-being of the people who work with—has always been in our DNA and part of our heritage. Our commitment to environmentally friendly business practices has taken many forms over the years as standards and technology have changed.

In the 1970s, when the rest of the nation began to become more environmentally aware, we had already laid walking trails and planted a tree farm on our beautiful Maine campus. Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business, so we know green business is good business.

Hussey seating solutions come in a wide range of colors—but every day our seats get greener. If you’d like to learn more about our sustainability efforts, please visit our website at www.husseyseating.com/sustainability.

HusseySeating.com
The Hussey Seating Company story dates back to 1835 with William Hussey’s tremendously successful plow design, and thus, the Hussey Plow Company was born. As times changed over the next sixty years, the family set about reinventing the business, evolving into the company that is now seating the world. Today, under the sixth generation of family leadership, Hussey Seating Company is proud to be known as the leading manufacturer of seating solutions throughout the world – in stadiums, arenas, schools, universities, colleges, places of worship and anywhere people gather.
