

Space Max combines versatility with exceptional finishing detail providing a stylish seating solution. Designed primarily for retractable applications, its slim closed profile allows for compact storage due to its auto tip mechanism. The product is available with an integral folding writing tablet for education and conference facilities.

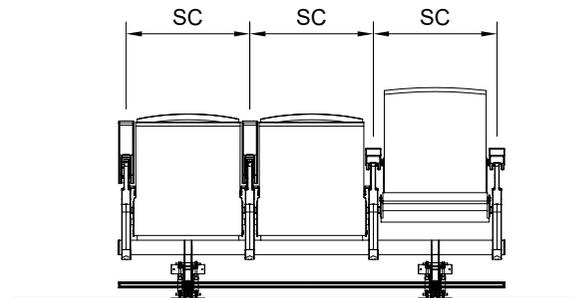

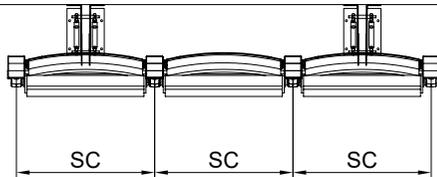

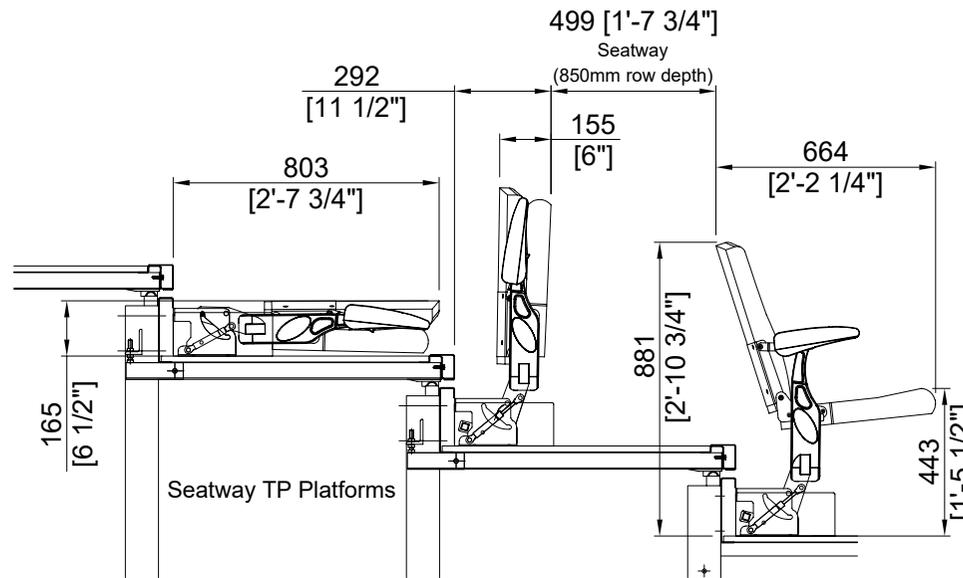

FEATURES

- Seat widths from 18 7/8"
- Available on row rises from 10 5/8"
- Sprung inner seat core with moulded polyurethane foam
- Options include wood arms, panels, writing tablets and semi-auto fold-down

SPACE MAX

Available for Retractable, Fixed & Flat Floor applications

* Dimensions assume fully upholstered chairs and to add 10mm to the row rise per seat or back panel.
